

## **DUNCAN CONTOUR FIT OVEN MITT MODEL K2CF332BK | DoD CFD**

### **VENDOR:**

**Duncan Industries USA**  
28315 W. Industry Drive  
Valencia, CA 91355  
800-785-4449  
www.kitchengrips.com

### **SPECIFICATIONS:**

**Model:** K2CF332BK

### **DESCRIPTION:**

Duncan Industries professional food service oven mitts are made of a neoprene elastomer type material. The neoprene elastomer is similar in texture to wet suit material. The oven mitts are water resistant and impervious to steam and liquid absorption.

### **EQUIPMENT BENEFITS:**

- Dishwasher safe
- Water resistant
- Stain resistant
- Non-Slip

### **REMARKS:**

- Oven mitts may be cleaned in dishwasher or clothes washer and air-dried. They may also be cleaned in a sink with soap and water.
- Oven Mitt: (GSA contract # GS-07F-0197M)
